COLORBOND® AND ® names are registered trademarks of BlueScope Steel Limited. Over time performance may vary between COLORBOND® Steel and Interpon Powder Coatings due to the different paint technologies used.

The colours displayed on this card are a guide only and have been matched as close as possible to Interpon® production standards as modern printing processes allow. Due to the nature of printing processes, some degree of colour and gloss level variation may occur. Bradnam's recommend the viewing of an aluminium colour swatch prior to order.
