

BRADNAM'S

# LOUVRE WINDOWS

Enjoy a cool summer breeze  
or a whisper of air

# Signature Louvre Windows

When it comes to enjoying a breath of fresh air, our **'Signature' louvre windows** have got your back. A modern take on a golden oldie, our louvre windows are easy to clean and easy to operate. They can be locked in position and can be combined with insect or security screens for protection against unwanted visitors.

## Features & Benefits

### Lifestyle & Comfort

- Ergonomic, easy-to-use handle
- Wide openings invite fresh air into your home
- Ideal for secure ventilation when installed above doors (doors can be locked while louvres are left open)
- Can be used as a kitchen splashback to bring in more light and ventilation

### Optional

- Wide range of screening solutions are available
- Keys can be 'keyed alike' with Bradnam's doors for convenience\*
- Openings can be restricted for upper storey windows
- Ring handle and map rod for opening louvres that are out of arm's reach

### Design & Aesthetic

- Available in a range of lifestyle configurations
- Combine with fixed windows to create a feature wall
- Blades available in different heights, materials and colours
- Architectural symmetry with other Bradnam's windows and doors

### Performance & Reliability

- Fully compliant with Australian Standards
- High-quality seals provide superior protection against the elements

### Optional

- Bushfire rated – certified up to BAL 40
- Suitable for cyclonic regions

\* Excludes patio bolts and commercial hinged & pivot doors

## Smart Solutions

High Performance Windows and Doors

As the market leader in Australia for aluminium and glass building products, Bradnam's have developed its range of **Smart Solutions** to meet all high performance requirements.

### Climate Control Solution

#### Solar Comfort™

##### Year-round Comfort

- Designed to reflect heat away in summer and keep heat inside during winter
- Enjoy the ideal temperature in your home all year round – cooler in summer, warmer in winter

##### Energy Reduction

- Keep power bills down by reducing the need for additional heating and cooling
- Help save the environment by consuming less energy

### Specialty Solution

#### FlameShield™

##### Superior Bushfire Protection

- Meets Australian Standard AS3959:2009, which is aimed to reduce the risk of loss of life and property in bushfire prone areas
